During the early 1900s, a few fellow literati formed a group that became the California Writers Club.

Among its early participants were novelist Jack London, John Muir, poet George Sterling, Joaquin Miller, and the state's first poet laureate, Ina Coolbrith.

Because of efforts by the California Writers Club and by decree of the governor and state legislature, the third week in October is perennially California Writers Week.

Jack London

California Writers Club is an educational nonprofit 501(c)(3) corporation dedicated to educating writers of all levels of expertise in the craft of writing and the marketing of their work.
